

Virginia International Pageants™

Local Title Selection

Each contestant is provided a local title upon acceptance as a contestant. Local titles are non-compete. You do not compete in a local competition to receive this title. You may wear your local sash to promote your platform, to assist you in obtaining sponsors, and when making appearances. You will be identified on the official website, in the state program book and during pageant weekend by your local title.

You may not compete in another system once you are officially entered in the Miss Teen Virginia International, Miss International or Mrs. Virginia International pageants.

Please identify your 1st, 2nd and 3rd choice for your local title. Upon receipt of your application and deposit, you will receive your local title sash. Generally, the title will be the city, town or county in which the contestant lives.

Examples include:

Mrs. Providence Forge Intl	Miss Fairfax International
Mrs. Richmond International	Miss Chesapeake International
Mrs. Southshores International	Miss Shenandoah International
Mrs. Spotsylvania International	Miss Roanoke International
